I passed on to the DI front office
the fact that you will be briefing PFIAB
Members on 9 May from 1330-1530 unless
they advise you otherwise.

NOTE FOR:

EA/DDI

SUBJECT: PFIAB

PFIAB has requested that Larry Gershwin, NIO/SP, brief PFIAB Members Dr. Foster and Amb. Weiss on the future capabilities of the Soviet strategic forces. It's a follow-up to an earlier session with them. The briefing is to take place on the morning of 9 April.

PFIAB contacted Larry directly and he told them his calendar was open but that the request would have to come through O/ExDir. That happened, I checked back with Larry, and unless the DDI objects, Larry intends to accommodate PFIAB.
